If a waiver is granted to allow more than 150 athletes in a race, the second section will not be needed.

If that happens the Div I Girls race will move to 2:10

### Changes in this revision:

The Div II start time was pushed back to 11:30 to allow the Div III teams to clear out

The Div I start time was moved up to 1:30 since the other districts were able to condense their Div II races into 1 per gender this still allows the Div II teams to clear out

I will update this listing if things change.
